Re: MB Docket No. 87-268
Ex Parte Presentation

Dear Ms. Dortch:

On Thursday, July 19, 2007, Stuart Shorenstein of Wolf, Block, Schorr & Solis-Cohen LLP, counsel to Siete Grande Television, Inc., licensee of Station WSTE-TV, Ponce, Puerto Rico, and Scott Flick of Pillsbury, Winthrop, Shaw, Pittman LLP, counsel to Univision Television Group, Inc., proposed assignee of Station WSTE-TV, held meetings with members of the Commission's staff to discuss Siete Grande's Comments on the Seventh Rulemaking Notice in MB Docket No. 87-268 proposing the Commission's final DTV Table of Allotments. The meetings were held with the following staff members:

Michelle Carey of the Chairman's office
Rick Chessen of Commissioner Copps' office
Rudy Brioché of Commissioner Adelstein's office
Bill Friedman of Commissioner Tate's office
Cristina Pauze of Commissioner McDowell's office.

In these meetings, the parties discussed their concern that the proposed Table, insofar as it relates to Station WSTE-TV, would cause a massive service loss to over 2.5 million people (representing over 80% of the residents of Puerto Rico) that currently receive WSTE-TV's analog signal.
